

Forum System Errors ...

[Peter_vm](#) 9,058 posts since

Feb 1, 2006 When trying to get to:

<http://communities.vmware.com/community/vmttn/desktop/workstation>

I'm getting:

*System Error

We're sorry but a serious error has occurred in the system. If you are a system administrator please click "more details" below for more information about this error.

More Details*
