

Valuable Study Guides ...

[ablej](#) 131 posts since

Feb 19, 2008 When studying for the VCP I found the attached study guides very useful. They are not updated nor did I write them, but they will give you a overview of how you should create your own study guide. These study guides were created by other community members and I would like to thank them for there useful information.

Also here is a blog post I wrote [Tips on Passing the VCP](#)

David Strebel

👤 in response to: [Byron D](#) Hi,

Just to let you know, I've moved my website to vReference.com
